

# HAPPENINGS...

Hope everybody is enjoying the last bit of summer, well, at least it is for me. I will regularly be in the office 9am-3pm Monday to Friday. The proshop is open, if you want to buy something 20% off. This is all of last year's stock.

The newsletter is on the website. Check it out. <http://www.vernoncurlingclub.com/news/10.pdf> (found under About Us)

We've also added a couple of sections under Membership where you can indicate you are looking to get on a team and/or you are looking for players for your team. Just put a short description of what you're looking for and it will be posted online. This will allow people that are new to town or new to curling to get access to a team before registration.

Registration is Monday Sept 8<sup>th</sup> at 6:30pm.

We are in need of updating our by-laws to the 21<sup>st</sup> century. There are some proposed changes posted under the Members only tab that can be accessed by logging into your profile. Guy will be sending out your login information, or it can be retrieved from the login tab on the website. These proposed by-law changes will be voted on at the AGM Friday Sept 12<sup>th</sup> @ 6:30pm.

Golf tournament is Saturday Sep 13<sup>th</sup> – 2pm shotgun @ Spall Executive. Please email or phone me at the club to sign up for the golf tournament. It's a 2 person scramble, any combination of men/women, dinner and prizes back at the club, cost \$45/person.

Open house to be held Sunday September 21<sup>st</sup> from noon-4pm. Great opportunity to bring your friends & family to try out curling. No cost, instruction & equipment provided.

I'm not going to say anymore, because it's all in the newsletter. Feel free to drop by. Enjoy the rest of summer.

Cheers  
Merk
